

Privacy Policy

This Privacy Policy explains how information about You is collected, used, and disclosed by Your

access or use of Our App Nilkanth Enterprise or otherwise as a result of Your interactions with us.

By visiting our, You accept the terms and conditions of this Policy. This Policy applies to our mobile app.

We are not responsible for the content or privacy practices on any website not operated by us.

PERMISSION

Access Fine Location:

o This permission is needed to obtain your location. GPS (also known as 'fine mode') is a bit slower to initially locate you, but is usually more accurate.

Access Coarse Location:

o This permission is needed to obtain your location. Network-based location (also known as 'coarse mode') gets a quick location, but is not usually accurate.

Full network access:

o This permission is required if you want to share your location information with your friends/family .

Storage permission:

- o Upload or Download contents from external storage.

Camera permission:

- o To take pictures and videos.

COLLECTION OF INFORMATION

"Personally Identifiable Information" means any information which can be used to identify an

individual, and may include, but is not limited to, name, email address, or postal or other physical

address. We collect Personally Identifiable Information from you when you register for the Site,

including the following: name and email address. To participate in certain activities and to obtain certain

services or documents offered on the Site, you may be asked to provide additional Personally

Identifiable Information such as phone number. We endeavor to limit our requests for Personally

Identifiable Information to information we believe is reasonably necessary to achieve our purposes as

described in the "Information Use" section below. Any Personally Identifiable Information received in

communication or in material you transmit to the Site by electronic mail or otherwise are and will be

treated in accordance with this Privacy Policy. When you visit the Site we also collect non-personally

identifiable information, which is information that by itself cannot be used to identify or contact you, such

as demographic information (such as age or gender) or usage information (such as the browser you

are using, the URL that referred you to the Site and the areas of the Site you visit). We may also

supplement the information we collect with information from other sources to assist us in evaluating and

improving our Site and offerings. For a better experience, while using our Service, I may require you to

provide us with certain personally identifiable information, including but not limited to None. The

information that I request will be retained on your device and is not collected by me in any way. The app

does use third party services that may collect information used to identify you. Link to privacy policy of

third party service providers used by the app

DATA SECURITY

We take reasonable measures, including administrative, technical, and physical safeguards, to

protect information about you from loss, theft, misuse, unauthorized access, disclosure, alteration, and

destruction.

This app never publicly disclose any personal or sensitive user data related to financial or payment

activities or any government identification numbers.

this app not doing unauthorized publishing or disclosure of people's non-public contacts.

UPDATES TO THIS POLICY

If We change or update this Privacy Policy, We will post changes and updates on the Site so that

you will always be aware of what information We collect, use and disclose. We encourage you to review

this Policy from time to time so you will know if the Privacy Policy has been changed or updated.
